

Dear Third Federal Saving and Loan,

On behalf of the Columbus Realist Association, we extend our heartfelt gratitude for your BHL sponsorship of the Black History Luncheon. Your support was instrumental in making this event a meaningful celebration of Black history, culture, and achievements.

Because of your generosity, we were able to create an inspiring and impactful experience that fostered unity, education, and empowerment within our community. Your sponsorship also contributed to vital initiatives such as the Columbus Realist Foundation Scholarship Program, helping to support the next generation of leaders in real estate and beyond.

We truly appreciate your commitment to our mission and community. Thank you for being an essential part of this special occasion—we look forward to continuing our partnership in the future!
