Third Federal
7007 Broadway Ave
Cleveland, OH 44105

Dear Marc,

Thank you, Third Federal, for your sponsorship of Greater Cleveland Food Bank's 2025 Taste of the Browns. We are grateful to have your support for this crucial fundraising event. It is my hope that you and our guests enjoyed the delicious food and fun entertainment – and maybe even got a photo with a favorite Browns player!

Your sponsorship helped us to raise more than \$357,000, which will provide 760,000 meals for local families. This is especially important now as the cost of living remains high and our neighbors struggle to make ends meet.

Your generosity is truly a lifeline for families, seniors, and hard-working adults. In 2024, more than 424,000 neighbors in six counties turned to the Food Bank and our 1,000+ program partners for help. That is why your support matters more than ever, when the need for emergency food is at a 10-year high and resources are strained.

Thank you for making an important investment to help ensure that everyone in our communities has the nutritious food they need every day. We are honored to have you with us in the fight against hunger.

Gratefully,

Kristin Warzocha
President & CEO
