Dear Terri,

We deeply appreciate Third Federal's generous gift of \$2,500 to support Price Hill Will's efforts around affordable housing in Price Hill. We are so fortunate to have wonderful supporters like you. Your gift will help us continue to assist Price Hill residents who face significant challenges impacting family stability, including low high school graduation rates, high incidence of chronic disease and addiction, and limited quality affordable housing.

Founded in 2004, Price Hill Will is a nonprofit community development corporation serving the neighborhoods of East, West, and Lower Price Hill. Our mission is to improve the quality of life for all residents of Price Hill using an equitable, creative, and asset-based approach to physical, civic, social, and economic development. Our programs connect residents, particularly immigrants, people of color, and residents with lower income or lower formal education levels, to resources, programming, neighborhood engagement opportunities, and leadership development. Your donation helps us achieve our mission to work with our community to boost Price Hill's incredible assets.

We recognize the trust you have placed in our work. If you have any questions or concerns, please do not hesitate to contact me by phone or email. Thank you for always being there for us!

With Warmth and Gratitude,

Samantha Conover
